To Whom It May Concern,

I am writing to inform you about a special event taking place in Dothan on **Sunday, November 18th at 6:00 pm at Harvest United Methodist Church**. My wife and I, along with the help of the staff at Harvest Church have organized a **Night of Hope** to benefit several families from the Southeast Alabama area who are adopting through Lifeline Children's Services. Lifeline is a non-profit Christian adoption agency whose sole mission is to provide children a hope and a future. Their mission is firmly rooted in the gospel of Jesus Christ.

Lifeline estimates that there are as many as 125 million orphans around the world. Over fifteen thousand of these children age out of the orphanage or foster care systems on a daily basis. Many of them turn to the streets with unpromising and devastating futures. It is our goal, hope, and prayer to change the statistics by helping local families to better afford adoption and to help provide a home for some of these children. Adoption is very expensive. The average cost for a single adoption is \$40,000.

In order to reach our financial goal in assisting these families, my wife and I have invited **Taylor Mason**, a well known and well traveled Christian comedian, ventriloquist, and musician who regularly performs for Disney Cruise Line, INC to perform at Harvest Church, 2727 Fortner Street in Dothan, Alabama for the Night of Hope. We are excited about presenting this family friendly program to the Southeast Alabama area to raise awareness of the plight of orphans around the word and to bring attention to the wonderful work that Lifeline Children's Services is doing on behalf of orphans.

This event has the potential of changing many lives for the better. When you think of the people who have been adopted like singer, song writer Faith Hill, former President of the United States, Bill Clinton, Dave Thomas, founder of Wendy's Restaurants, Inc., and the current Mayor of Dothan Mike Schmitz, one can see the impact that adoptive parents have had on their adopted children. All orphans are looking for a better and more promising life!

I appreciate your love for children and your philanthropic generosity to help your community. I would like to invite you and/or your company to participate in this event with a tax deductible financial contribution. We are seeking corporate or private sponsorship to help defray the cost of the entertainment for the evening. All donations can be made through the **Haleburg United Methodist Church Adoption Fund**. As organizers of the event we have divided contributions into four levels:
